

NAVYFEL B220

Men's Sizes XS, S, M, L, LS, XLS, XL, Women's Sizes 6, 8, 10, 12 made to measure

Colour: Black

Inspired by a racer's racing suit, it has the highest thermal insulation on the market. The NAVYFEL B220 insulated undergarments features a sleek design and fitted cut to increase your diving comfort while maintaining a fashion-like look. Suitable for cold water with a temperature of 8°C to 20°C, it is an ideal and irreplaceable equipment for long-term diving. Low water absorption, high breathability. Keeps divers warm even in wet conditions.

3M's Thinsulate insulation, with its thermal properties and pre-compressed insulation.

The inner lining is made of soft fleece of 140 g/m². The outer layer is made of nylon cloth

Reinforced with polyester cloth in areas subject to mechanical damage.
